

Privacy Policy

By accessing or using the [Horizon Electronics Ltd.](#) company website, you agree to the terms of the Horizon Electronics Ltd online privacy policy, as outlined below. If you do not agree to these terms, please do not access or use this site. Horizon Electronics Ltd reserves the right to change the Online Privacy Policy from time to time at its sole discretion. Your use of this site will be subject to the most current version of the Horizon Electronics Ltd Privacy Policy at the time of such use.

Collection of personal information

When you engage in certain activities on this site, such as registering products, downloading software, or entering contests, Horizon Electronics Ltd may ask you to provide certain information about yourself by filling out and submitting an online form. It is completely optional for you to engage in these activities. If you elect to engage in these activities, however, Horizon Electronics Ltd may ask that you provide us personal information, such as your first and last name, mailing address (including zip code), e-mail address, employer, job title and department, telephone and facsimile numbers, and other personal identifying information. Depending upon the activity, some of the information that we ask you to provide is identified as mandatory and some as voluntary. If you do not provide the mandatory data with respect to a particular activity, you will not be able to engage in that activity.

When you submit personal information to Horizon Electronics Ltd on this site, you understand and agree that this information may be transferred across national boundaries and may be stored and processed in any of the countries in which Horizon Electronics Ltd and its affiliates and subsidiaries maintain offices, including without limitation, the United States of America. You also acknowledge that in certain countries or with respect to certain activities, the collection, transferring, storage and processing of your information may be undertaken by trusted suppliers of Horizon Electronics Ltd.

How your personal information is used

Horizon Electronics Ltd collects your information in order to record and support your participation in the activities you select. If you order a product that is to be electronically downloaded, for example, the information is used to register your license and rights, if any, to technical support, upgrade discounts, or other benefits that may be made available to registered users. If you enter a contest, information is collected to qualify the entry and contact you regarding the contest or prize awards. The information that you provide is also used as part of our effort to keep you informed about product upgrades, special offers, and other products and services of Horizon Electronics Ltd and selected third parties.

Horizon Electronics Ltd will not sell or distribute your personal information to other companies or organizations for marketing or other promotional purposes.

Protection of your personal information

The personal information that you provide resides on a secure server that only selected Horizon Electronics Ltd personnel and contractors have access to via password. Horizon Electronics Ltd encrypts your personal information and thereby prevents unauthorized parties from viewing such information when it is transmitted to Horizon Electronics Ltd.

Use of information

You can visit our websites without having to provide any personal information as a matter of principle. Only impersonal usage data such as your IP address, the last page you visited, the browser you use, the date and time, etc. will be analyzed anonymously for the purposes of identifying trends and improving our online services ("Google Analytics", "Google Tag Manager"). They will not be used to identify who you are. In certain areas, we will ask you to provide data on a voluntary basis for the purposes of improving service quality (e.g. your name, address, telephone number, email address, what sorts of information and services you are interested in, etc.).

Use of cookies

When you visit Horizon's website, horizon-pss.com, you can surf the site anonymously and access important information without revealing your identity. In order to improve our site, we use "cookies" to track your visit. A cookie is small amount of data that is transferred to your browser by a web server and can only be read by the server that gave it to you. It functions as your identification card, recording your passwords, purchases, and preferences. It cannot be executed as code or deliver viruses. Most browsers are initially set to accept cookies. You can set your browser to notify you when you receive a cookie, giving you the chance to decide whether or not to accept it. (For some web pages that require an authorization, cookies are not optional. Users choosing not to accept cookies will probably not be able to access those pages.)

While Horizon Electronics Ltd uses cookies to track your visit to horizon-pss.com, and our web servers automatically log the IP/internet address of your computer, this information does not identify you personally and you remain anonymous unless you have otherwise provided Horizon Electronics Ltd with personal information.
